

## Dahua Technology DHI-ARA43-W2 transmisor y repetidor de señal de alarma 434,6 MHz

**Marca :** Dahua Technology

**Código del producto:** DHI-ARA43-W2

**Nombre del producto :** DHI-ARA43-W2

Dahua Technology DHI-ARA43-W2. Tipo de interfaz: Inalámbrico, Color del producto: Blanco, Frecuencia de transmisión RF: 434,6 MHz. Alimentación: Batería, CC, Voltaje de entrada: 12 V, Máxima corriente: 1,5 A. Ancho: 163 mm, Profundidad: 32 mm, Altura: 163 mm. Ancho del paquete: 219 mm, Profundidad del paquete: 91 mm, Altura del paquete: 187 mm. Tecnología de batería: Litio

| Características                                   |                                        | Control de energía      |             |
|---------------------------------------------------|----------------------------------------|-------------------------|-------------|
| Tipo de interfaz *                                | Inalámbrico                            | Alimentación *          | Batería, CC |
| Frecuencia de transmisión RF                      | 434,6 MHz                              | Voltaje de entrada      | 12 V        |
| Rango receptor                                    | 1000 m                                 | Máxima corriente        | 1,5 A       |
| Color del producto *                              | Blanco                                 | Batería incorporada     | ✓           |
| Tipo de montaje                                   | Pared                                  | Peso y dimensiones      |             |
| Indicadores LED                                   | Estado                                 | Ancho                   | 163 mm      |
| Material de la carcasa                            | Acrilonitrilo butadieno estireno (ABS) | Profundidad             | 32 mm       |
| Número de dispositivos soportados                 | 32                                     | Altura                  | 163 mm      |
| Protección contra manipulaciones                  | ✓                                      | Peso                    | 320 g       |
| Intervalo de temperatura operativa                | -10 - 55 °C                            | Empaquetado             |             |
| Intervalo de humedad relativa para funcionamiento | 10 - 90%                               | Ancho del paquete       | 219 mm      |
| Certificación                                     | CE                                     | Profundidad del paquete | 91 mm       |
|                                                   |                                        | Altura del paquete      | 187 mm      |
|                                                   |                                        | Peso del paquete        | 740 g       |
|                                                   |                                        | Batería                 |             |
|                                                   |                                        | Tecnología de batería   | Litio       |
