

## Dahua Technology PFM802 cámaras de seguridad y montaje para vivienda Balun de vídeo

**Marca :** Dahua Technology

**Código del producto:** PFM802

**Nombre del producto :** PFM802

Dahua Technology PFM802. Tipo: Balun de vídeo, Colocación soportada: Universal, Color del producto: Negro. Tecnología de conectividad: Alámbrico. Consumo de energía: 700 mA, Voltaje de entrada: 12 - 15 V. Ancho: 33,5 mm, Profundidad: 61,5 mm, Altura: 20,5 mm

| Características                    |                                        | Control de energía                                |             |
|------------------------------------|----------------------------------------|---------------------------------------------------|-------------|
| Tipo *                             | Balun de vídeo                         | Consumo de energía                                | 700 mA      |
| Colocación soportada *             | Universal                              | Voltaje de entrada                                | 12 - 15 V   |
| Color del producto *               | Negro                                  | Peso y dimensiones                                |             |
| Material de la carcasa             | Acrilonitrilo butadieno estireno (ABS) | Ancho                                             | 33,5 mm     |
| Distancia de funcionamiento máximo | 100 m                                  | Profundidad                                       | 61,5 mm     |
| Obstrucción                        | 100 Ω                                  | Altura                                            | 20,5 mm     |
| Instalación simplificada           | ✓                                      | Peso                                              | 85 g        |
| Puertos e Interfaces               |                                        | Condiciones ambientales                           |             |
| Tecnología de conectividad         | Alámbrico                              | Intervalo de temperatura operativa                | -10 - 55 °C |
| Salida de vídeo BNC                | ✓                                      | Intervalo de humedad relativa para funcionamiento | 0 - 95%     |
| Enchufe de entrada de CC           | ✓                                      | Intervalo de temperatura de almacenaje            | -20 - 70 °C |
