

## TP-Link TL-PA7017 KIT adaptador de red PowerLine 1000 Mbit/s Ethernet Blanco 2 pieza(s)

**Marca :** TP-Link

**Código del producto:** TL-PA7017 KIT

**Nombre del producto :** TL-PA7017 KIT

TP-Link TL-PA7017 KIT. Rango máximo de transferencia de datos: 1000 Mbit/s, Estándares de red: IEEE 802.3, IEEE 802.3ab, IEEE 802.3u, Conector: Tipo F. Consumo energético: 2,3 W, Consumo de energía (inactivo): 0,5 W, Voltaje de entrada AC: 220 V. Color del producto: Blanco, Tipo de antena: Interno, Indicadores LED: LAN, PLC, Poder. Ancho: 65 mm, Profundidad: 28,5 mm, Altura: 52 mm. Certificados de conformidad: RoHS

| Desempeño                                         |                                       | Requisitos del sistema                            |             |
|---------------------------------------------------|---------------------------------------|---------------------------------------------------|-------------|
| Rango máximo de transferencia de datos *          | 1000 Mbit/s                           | Sistema operativo Windows soportado               | ✓           |
| Ethernet *                                        | ✓                                     | Sistema operativo Linux soportado                 | ✓           |
| Tipo de interfaz Ethernet LAN                     | Gigabit Ethernet                      | Compatible con Mac                                | ✓           |
| Ethernet LAN, velocidad de transferencia de datos | 10,100,1000 Mbit/s                    | Condiciones ambientales                           |             |
| Wifi *                                            | ✗                                     | Intervalo de temperatura operativa                | 0 - 40 °C   |
| Estándares de red *                               | IEEE 802.3, IEEE 802.3ab, IEEE 802.3u | Intervalo de temperatura de almacenaje            | -40 - 70 °C |
| Conector *                                        | Tipo F                                | Intervalo de humedad relativa para funcionamiento | 10 - 90%    |
| Enchufe integrado *                               | ✗                                     | Intervalo de humedad relativa durante almacenaje  | 5 - 90%     |
| Estándar de PowerLine                             | HomePlug AV2                          | Peso y dimensiones                                |             |
| Modulación                                        | OFDM                                  | Ancho                                             | 65 mm       |
| Algoritmos de seguridad soportados                | 128-bit AES                           | Profundidad                                       | 28,5 mm     |
| Distancia de funcionamiento máximo                | 300 m                                 | Altura                                            | 52 mm       |
| Conectar y usar (Plug and Play)                   | ✓                                     | Aprobaciones reguladoras                          |             |
| Control de energía                                |                                       | Certificados de conformidad                       | RoHS        |
| Consumo energético                                | 2,3 W                                 | Empaquetado                                       |             |
| Consumo de energía (inactivo)                     | 0,5 W                                 | Ancho del paquete                                 | 190 mm      |
| Voltaje de entrada AC                             | 220 V                                 | Profundidad del paquete                           | 136 mm      |
| Frecuencia de entrada AC                          | 50 Hz                                 | Altura del paquete                                | 100 mm      |
| Diseño                                            |                                       | Peso del paquete                                  | 410 g       |
| Tipo de antena                                    | Interno                               | Contenido del embalaje                            |             |
| Indicadores LED                                   | LAN, PLC, Poder                       | Cantidad por paquete *                            | 2 pieza(s)  |
| Color del producto *                              | Blanco                                | Guía de instalación rápida                        | ✓           |
| Certificación                                     | CE                                    | Cables incluidos                                  | LAN (RJ-45) |
