

## TP-Link TL-WN823N adaptador y tarjeta de red WLAN 300 Mbit/s

**Marca :** TP-Link

**Código del producto:** TL-WN823N

**Nombre del producto :** TL-WN823N

TP-Link TL-WN823N. Tecnología de conectividad: Alámbrico, Interfaz de host: USB, Interfaz: WLAN.  
Rango máximo de transferencia de datos: 300 Mbit/s, Estándar Wi-Fi: Wi-Fi 4 (802.11n), Banda Wi-Fi:  
Banda única (2,4 GHz). USB con suministro de corriente. Color del producto: Negro

| Puertos e Interfaces                                |                                                       | Requisitos del sistema                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
